Dear Sir:

RESPONSE TO OFFICE ACTION MAILED MAY 10, 2007

The present amendment responds to the non-final Office action mailed May 10, 2007, for which a shortened statutory period for reply expired on August 10, 2007. Applicants submit herewith a Petition for Extension of Time with the appropriate fee for extending the time to reply to November 10, 2007. Accordingly, the present amendment is believed to have been timely filed under MPEP § 710.05.

Claims 1-39 are currently pending in the present Patent Application. The Examiner has rejected claims 1-39 under the judicially-created doctrine of obviousness-type double patenting, and has also rejected claims 36-39 under 35 U.S.C. § 101. Claims 1-39 have also been rejected under 35 U.S.C. §§ 102(b) and/or 102(e).

In response, Applicants are cancelling claims 1-39 and submitting new claims 40-58. Therefore, the foregoing rejections of claims 1-39 are now believed to be moot.

Please reconsider the above-identified Patent Application in view of the Amendments and Remarks contained below. Applicants believe that no new matter has been added by these Amendments.
